

WE HAVE NO PITY

Throughout developing countries all over the world, thousands of children need life-saving surgery every day. At Surgeons of Hope, we believe the best way to save each child is through empowerment—not pity. Our concept of Selfcare focuses on building independent, sustainable, state-of-the-art hospitals fitted to local needs and on providing the finest medical training to indigenous surgeons.

Don't take pity, take action. Find out more about the Surgeons of Hope Foundation. Call Philippe Lerch, Executive Director, at 212-474-5994, or visit www.surgeonsofhope.org.

It's not what we bring. It's what we leave behind.

Don't take pity, take action. YES, I want to help Surgeons of Hope operate on a child in need of surgery in his/her own country. The cost of a cardiac life-saving operation is \$3,000 per child. I am making a tax-deductible gift of :
