#### INDEPENDENT AUDITORS' REPORT

September 18th, 2017 To the Board of Directors of:

Surgeons of Hope Foundation. New York, NY.

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of Surgeons of Hope Foundation (a non-profit organization) which comprise the statements of financial position as of December 31, 2016 and 2015 and the related statements of activities and cash flows for the years then ended and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. These standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's presentation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### INDEPENDENT AUDITORS' REPORT

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Surgeons of Hope Foundation as of December 31, 2016 and 2015 and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

# SURGEONS OF HOPE FOUNDATION NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2016

#### **Nature of Activities and Summary of Significant Accounting Policies**

#### Nature of Activities

The Surgeons of Hope Foundation (The Foundation) was organized in the State of Georgia on April 3, 2001. The purpose of the Foundation is to organize fundraising activities and administrative services in connection with the delivery of onsite surgical care to disadvantaged children in developing countries.

#### **Financial Statement Presentation**

The financial statements are presented are in accordance with FASB Accounting Standard Codification (FASB ASC) 958, Not-for-Profit Entities. Under FASB ASC 958, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted. The Organization had no permanently restricted net assets as of December 31, 2016 and 2015.

#### Use of Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Cash and Cash Equivalents

The foundation considers all highly liquid investments with maturity of three months or less to be cash equivalents.

See Independent Auditors' Report

#### CALIXO & DGA

# SURGEONS OF HOPE FOUNDATION NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2016

#### Contribution receivable

All contributions receivable will be received in less than one year.

#### Property, Equipment and Software

Property and equipment are stated at cost.

Depreciation is calculated for financial statement purposes using the straight-line method based on the property's estimated life.

Additions and improvements that add materially to productive capacity or extend the life of an asset are capitalized. Normal repairs and maintenance are charged against income.

When facilities are retired or sold, their cost and accumulated depreciation are removed from the accounts and related gains or losses are included in income. In case of trade items, any remaining book value increases the basis of the new acquisitions.

Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose.

The estimated lives used in determining depreciation are:

Furniture and Equipment – 3 years Software – 5 years

#### **Contributed Services**

No amounts have been reflected in the financial statements for donated services. The Foundation generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Foundation, but these services do not meet the criteria for recognition as contributed services.

See Independent Auditors' Report

# SURGEONS OF HOPE FOUNDATION NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2016

#### Contributions

Contribution income consists of donation from individuals, foundations and corporations. Contributions received are recorded as unrestricted or temporarily restricted support depending on the existence or nature of any donors' restrictions. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

In 2016, contribution from one major contributor accounted for 50% of the total contributions to the Foundation.

#### Matching contributions

In certain situations, contributions made by certain individuals are matched by other organizations. Matching contributions are recognized as revenue when they are received by the Foundation.

#### Income Tax

The Foundation is a tax-exempts organization under section 501 (c) (3) of the Internal Revenue Code except for unrelated business income. The Foundation has no net taxable unrelated business income for 2016 and accordingly, no provision for taxes has been made. The Foundation does not have any uncertain tax positions that are material to the Financial Statements. The Foundation's tax returns are subject to examination by taxing authorities, generally for three years after they were filed.

#### Program

The foundation works in Latin America, mainly Nicaragua. It provides funds and equipment to pediatric heart surgical and training missions.

See Independent Auditors' Report
